The Prez Sez...

By Mike Gradinjan

Say Hey, SHARKSters!

We're gearing up for another summer of fun at SHARKS Field! The grass has greened up, with the exception of maybe a billion dandelions, and the tracks are drying out in preparation for revamping them. The oval will be smoothed out, and the off-road course is getting an expansion. Too bad our work crew is past their prime!

This Friday's AHC movie will be 1979's [Hanover Street](#) with Harrison Ford. Helpers and indoor flyers should be there at 6PM on May 10, with the movie starting at 7. Let [Graham](#) know if you can help out.

The next SHARKS meeting will NOT be Saturday, May 11! We have a couple tables at Rockets for Schools at Blue Harbor and are in need of volunteers to answer questions and promote our club. Contact [Dave Langer](#) if you can help out either Friday and/or Saturday. It's usually a good time!

The next SHARKS meeting is planned for 10AM on Saturday, May 18th at the field. We're trying to combine it with a field work day, so we'll reschedule it in the event of a rainout. Watch our website [Calendar Page](#) for updates. All incumbent Officer & Board positions were renominated with the exception of Vice President. Warren would like to take a break. Paul Piekarski has agreed to run for the VP position and I look forward to him bringing his past experience to the Board. I'd expect a vote of Unanimous Consent will shorten the meeting and allow for other business and the work that needs to be done. Bring your landscape tools and 2024 SHARKS Membership Application and dues if that still needs to be taken care of.

We'll be having a street-side swap meet and brat fry at On Track RC in Sheboygan Falls on June 15. Bring your own table and sun shade. We'll have a display at Wings & Wheels on Fathers' Day, June 16. We're supposed to get the garage across the street from the AHC for displays and indoor flying demos. We'll need volunteers for that too, so please put it on your calendar. We're hoping for good weather!

That's just what's planned now. It'll be a busy summer when you add fly-ins here and at other clubs!

Mike
