Sig Kadet LT-40 ARF for sale. Never flown. Includes a 5s motor, a receiver, ESC and servos. This is a 4 channel plane and would make a great trainer for someone new to the hobby. The receiver is compatible with a Spektrum DX6I transmitter (transmitter not included) Complete with 5S battery. Is complete and ready to fly. These planes are currently listed on many websites for \$330 or more. Here is a link with the specs: <https://sigmfg.com/products/sig-kadet-lt-40-egv-arf>

Asking \$250 but will negotiate. Right now, the plane is in Minneapolis but will transport to the Sheboygan area so no shipping will be needed.

The sale also includes 3 planes, 3 chargers, 5 batteries—2 are new, 7 wings—all are still encased. Motors work. Transmitters to go with the planes. The whole group needs a new home and someone who may have an interest in flying them. Cost is zero.
