The Prez Sez...

Say Hey, SHARKSters!

Are you putting the finishing touches on your RC Christmas lists? [On Track RC Hobbies](#) had its grand opening yesterday in Sheboygan Falls, and I'm sure they'd love it if you shopped local this and every year! Check their schedule before you head over there, though, as they have limited hours yet.

Outdoor RC'ing is now mostly for those with a transmitter hand-warming bag or better finger circulation than I've ever had, but hopefully the vicious winds we've had recently will settle down for some flying or racing fun before the snow locks us out until spring.

Oostburg indoor flying continues. It's on Wednesday nights from 6-9PM, and we're continuing the \$10 fee for flyers, which all goes to the school district. Spectators are always free. Enter through the gym doors towards the north end of the building.

Please note that there'll be no indoor flying on Wednesday, December 28 due to a basketball tournament. Any updates are always posted on our [Calendar Page](#).

AHC Movie Night is this week, when we'll show [Air Force](#) at 7PM, Friday, December 9. Indoor flyers and helpers should be there at 6PM. Let Dave Meyer or Graham know if you can lend a hand. Hours count towards your club dues work obligation.

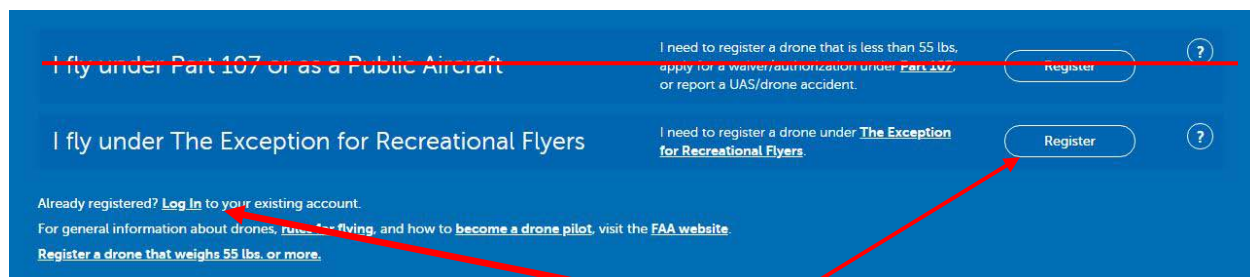

On a sad note, we recently lost longtime member Art Wienke. Art was a skilled pilot and instrumental in the early years of the SHARKS. He was a steadfast participant in field maintenance & improvements and the old Lakefest fried goods sales that financed us for years. He will be missed.

Make sure your AMA or ROAR memberships are up to date so you can complete your [2023 SHARKS Membership Application](#), which is included in this newsletter. Unless you're an opt-out member, remember you needed 15 hrs of club benefiting activities in 2022 to complete your obligation. This includes additional adult members where the first member is an opt-out. Please include \$5/unfulfilled hour with your 2023 application.

Remember that besides your AMA membership, flyers also need an FAA registry number that you can use on all your aircraft and your TRUST certificate.

If you're planning to be a new SHARKS Park member, you have the choice of joining as an AMA Park Pilot or a ROAR member. You only need one or the other to cover your required insurance, but the AMA Park Pilot license would allow you to fly small electric models as well as race. If you plan on visiting other ROAR facilities, then the ROAR membership would be the way to go. Right now we're the only affiliated club in Wisconsin, but the choice is yours. You'll find links to the [AMA](#) & [ROAR](#) on our links page <http://www.sharksrc.com/related.htm>, or just click on the names here. Be sure to include your AMA license or ROAR membership # on our [SHARKS application](#). A SHARKS membership will be required for use of our facilities from now on.

The FAA registration is only \$5 for 3 years, so it's better to do it than have someone stop in and shut you down for being non-compliant. Here's the link to sign up or renew: <https://faadronezone.faa.gov>

If this is a renewal, there's a Log In link under the link for the Exception for Recreational Flyers, where you'll enter using your login and password from when you first applied for Certification. If this is your first time, click the Register button link for the Exception for Recreational Flyers and follow the instructions. If you try to enter any other way, you'll have a good chance of ending up at the wrong place which could be a scam site.

The TRUST test can be accessed at <https://www.modelaircraft.org/trust>

There's an FAQ located at

https://amablog.modelaircraft.org/amagov/2021/02/24/the-recreational-uas-safety-test-trust-faq/?_ga=2.168312552.879088485.1626377374-1632433514.1626377325

Make sure you print out your certificate when you successfully complete the test. It's not saved anywhere, and you'll have to complete the test again to get a new certificate!

Our Annual Buy Your Own Christmas lunch is this Saturday, December 10 at the Roadside Bar & Grill, N5575 State Road 57, Plymouth. We'll meet in the bar starting at 11, and be seated for lunch at noon. Spouses or Significant Others are welcome, with 3 already signed up! Please RSVP to sharksinfo1490@gmail.com so we can let them know how many to expect.

A late addition! I got an e-mail from Roger Murphy, 920-883-9442, who's getting rid of some older gear. See the attached page. Give him a call if you're interested.

As always, contact me or any officer or board member with any questions or concerns you have, but in the meantime, Happy Flying RC'ing!

That's about it for now-

Mike
