Say Hey, SHARKSters!

The rain and warmer weather opened up the field for some unexpected flying in the last few weeks. A few guys got their New Years' Day flying in, and still others took advantage of the moderated weather to join the guys over at the Kettle Area Flyers field, an annual event. As long as it doesn't snow, I'm sure there'll be some more air time this month by the looks of it. Our Annual Buy Your Own Christmas lunch was a success, but attendance was down due to a few illnesses.

A reminder that we're trying to consolidate our Facebook pages under 1 banner. You'll find us at <https://www.facebook.com/groups/699606931572038/> or [Sheboygan Area Radio Kontrol Society \(SHARKS\) | Facebook](#). It looks like 23 people have signed up already! Graham is the administrator, so questions can be addressed to him. Join up and be part of the fun. All our disciplines will eventually be linked there.

Oostburg indoor flying continues. It's on Wednesday nights from 6-9PM, and we're continuing the \$10 fee for flyers, which all goes to the school district. Spectators are always free. Enter through the gym doors towards the north end of the building.

AHC Movie Night is this week, when we'll show [Those Magnificent Men in Their Flying Machines](#) at 7PM, Friday, January 13. Indoor flyers and helpers should be there at 6PM. Let Dave Meyer or Graham know if you can lend a hand. Hours count towards your club dues work obligation.

Make sure your AMA or ROAR memberships are up to date so you can complete your [2023 SHARKS Membership Application](#), which is included in this newsletter. Unless you're an opt-out member, remember you needed 15 hrs of club

benefiting activities in 2022 to complete your obligation. This includes additional adult members where the first member is an opt-out. Please include \$5/unfulfilled hour with your 2023 application.

As always, contact me or any officer or board member with any questions or concerns you have, but in the meantime, Happy Flying RC'ing!

That's about it for now-

Mike
