The Prez Sez...

Say Hey, SHARKSters!

We're having quite a roller coaster in the weather department, with great days for flying, racing, maybe both, and other days it's best to just stay inside where it's warm and dry. Next week looks like there might be a couple good days for racing if it stays dry.

I've updated our Membership Application for 2024, which is now on our website on the Newsletter Page and included in this newsletter. Make sure you fill it out and turn it in with your 2024 dues. The Christmas lunch would be a great time to take care of that.

I saw Michelle Demler's Facebook post that OnTrack Hobbies & Nutrition have signed up to participate in the Sheboygan Falls Christmas Parade on December 2. She's looking for a head count on who would like to walk in the parade, pass out candy, or maybe drive your RC car along with the group. Setup would be in the afternoon with the parade starting around 4:30. Contact On Track if you'd like to help out.

We have Movie Night at the AHC this Friday, November 10th when we'll be showing [Zeppelin](#). Indoor flyers and helpers should be there at 6, with the movie starting at 7. Please let [Graham](#) know if you can help out.

Indoor Flying at Oostburg High School starts up again Wednesday, December 6 from 6-9 PM and runs into April. We'll be collecting \$10/flyer to be turned over to the Oostburg School District. Spectators are always free. Come on out and join the fun!

Our next SHARKS meeting will be our Christmas Buy Your Own Lunch at Roadside Bar & Grill. I haven't finalized plans with them yet, but am planning on December 9. Meet in the bar at 11AM, moving to the dining area at noon. Lynn had her shoulder replaced last week after another surgery the week before, so my schedule's been a mess for the better part of a month!

A reminder that we're trying to consolidate our Facebook pages under 1 banner. You'll find us at <https://www.facebook.com/groups/699606931572038/> or [Sheboygan Area Radio Kontrol Society \(SHARKS\) | Facebook](#). [Graham](#) is the administrator, so questions can be addressed to him. Join up and be part of the fun. All our disciplines will eventually be linked there.

As always, contact me or any officer or board member with any questions or concerns you have, but in the meantime, Happy Flying RC'ing!

That's about it for now-

Mike
